Thanks Edward. I am updating the contact list and will be sending an agenda out later today for Monday's meeting. Can I get a head count on who is planning to attend in person and who will be on the phone. My conference room sits 10 maybe 11. I can find another location, I just want to make sure we have good phone service for people calling in.

Please let me know.

Thanks,

Pete

Hi, everyone,

I wanted to do a quick introduction to let you all know that I have replaced Dave Kappelman in the Durango Environmental Unit. I understand that there will be a meeting on Monday afternoon that I will be participating in. I look forward to working with you all.
